18 Padnell Crescent  
Newlands  
WELLINGTON 6037

16 May 2019

To Parents/Caregivers,

The Rewa Rewa School Board of Trustees has carefully considered the best approach based on notification of a strike by NZEI members on Wednesday 29 May and the number of teachers at our school that this will affect.

The Board has agreed to close the school on this day. This will mean that no instruction will be available for any students on this day and extends to our After School Care facilities being closed as well.
