SCHOOL PRODUCTION

The script has been written! This year's production is based around the character strengths that we promote across the school. These can be viewed on the mural painted on the wall of the hall. These are from the Values in Action Institute and include: bravery, creativity, curiosity, fairness, forgiveness, gratitude, honesty, hope, humility, humour, judgment, kindness, leadership, love, love of learning, perseverance, perspective, prudence, self-regulation, social intelligence, spirituality, teamwork, and zest.

If you would like to know more about these character strengths and perhaps complete a free survey to find out what your strengths are, you can visit www.viacharacter.org. Every child at Bayview is involved in the production and will have their moment of fame on stage during production performances. The dates of the performances are 24th, 25th, and 26th September. Please keep these dates free so your child can perform each evening. We will be sending out more information as we get closer to this spectacular, biannual event.

At this stage the core cast has been chosen and has started practising, classes have chosen the scene they will be performing in and have started thinking about what this may look like. In the near future classes may be sending out notices asking for help around costumes, props or other help they may need. If you can offer any skills please let your child's teacher know!

RAFFLE TICKETS

Thank you to everyone who has been selling raffle tickets to raise money for the new playground. We very much appreciate the time and effort you are giving this. A few dates to be aware of:

17/6 raffle tickets, stubs and money due back at school.

20/6 raffle is drawn under police supervision.

Just to let you know we have put a grant application in trying to support our fundraising efforts. If we are successful we may be able to start the building process soon. This will be determined by obtaining grants to support the fundraising we have completed so far. I know this may seem a long a protracted affair but it take a while to raise over \$100,000 which is how much the new playground costs!

We appreciate your patience and your continued support, we know the final product will be worth waiting for!

PARENT INFORMATION EVENING WITH KATHRYN BERKETT

Just a reminder that our second free parent evening is on Wednesday 19th June.

This event is hosted by the Kaipatiki Kahui Ako, of which we are a member. Kathryn is a mother of two adolescents, with a Masters of Educational Psychology. She will explain children's developmental stages and needs in simple, easy to understand language. Kathryn has been working in this area and training international audiences for over 16 years; working with groups such as Police, Teachers, Parents, Social Workers, NZ Rugby and many more. Kathryn is running two sessions:

5.30-7pm – the early years 5-9 year olds

7.30-9pm the adolescent years 10years +

These sessions will be held at Glenfield College on Wednesday 19th June 2019.

I strongly urge you attend this evening. Please RSVP to Shannon in the office.

A huge thank you to PJ from Harcourts Cooper and Co who has assisted with both evenings.

REPORTING TO PARENTS

This term teachers are conducting a range of testing so they can write the mid-year report. This report will outline the progress and achievement your child has made in the first half of the school year. The reports will come home in week 1 of term 3 and then we will hold feedback meetings where you will be able to discuss the report with your child's teacher.

PINK SHIRT DAY

As a result of all the work Madeleine Anderson and her helpers put in we raised **\$401.40** for the Mental Health Foundation.

I am incredibly proud of the effort put in this year and we have asked Madeleine if she and her crew could do something special each term around being a 'Kindness Warrior'! This way the messages around kindness and treating others with respect will continue and not be a one off event.

DEVICES AFFECTING SLEEP

We have recently had lots of parents talk to us about the difficulty they are having getting their children to sleep. We have heard that many children are on a device (ipad, computer, playstation, etc) right up until their bedtime. It takes 30-60 minutes for a child's brain to return to normal function after being on a device and children will not be able to sleep within this detox time. We strongly recommend you limit the time your child spends on these devices leading up to bedtime.

One World Playgroup

NEW PLAYGROUP STARTING IN GLENFIELD

9 - 12am FRIDAYS from MAY 10th

Glenfield Presbyterian Church, 82 Chartwell Avenue (corner of Chivalry Rd & Chartwell Ave)

One World Playgroup is for parents of young children to meet and enjoy time playing with their children, and where the whole family can make friends from other cultures. Parents can chat about the joys and challenges of parenting, and gain parenting and play ideas.

- Make new friends across cultures
- Learn about the value of play with quality play equipment – strengthening your child's creativity, confidence and skills
- Everyone works together – setting up or tidying up
- 9am to 12am Fridays during the school term.
- Have fun playing with your children and their new friends
- We're building a stronger community!
- First 3 visits FREE, then \$2 donation for a family
- Morning tea provided for adults
- Please bring a healthy morning tea for your children (no peanuts/eggs please, because some children are allergic to them)
- Volunteer on the committee and learn new skills
- 'Unity in diversity' – breaking down barriers & separation
