Kia Ora Whanau

I would like to congratulate our newly and re-elected Board of Trustee members. They are Kylie Morgans, Andrew Russell, Hamish McCallum and our staff representative, Emma Miller. I look forward to working with you all, as we build on from the excellent achievements of the outgoing board. On behalf of the staff and the school community, I would like to thank Matt Hillas, Heather Toland and Katie Kopke for all of their efforts for their time that they have spent on the board. Your contribution and dedication to Rongotea School has helped make it the school it is today. Its in better shape than when you arrived and to me that has to be the overall goal.

Just a reminder that as we head into winter that if your child is showing signs of being unwell then please keep them at home as the last thing we want is for them to be spreading their bugs with others in a well heated classroom.

Also please check your child for NITS. It is your responsibility to treat your child, as it is unfair for parents to keep treating their child because you have neglected to treat yours.

Have a great long weekend, be safe and keep warm.

CLASS WORK BY TEAM TUI

Team Tui have been writing narratives.

Using just pictures...we know that we have to start our work by including who is in the story and where the story takes place. All narratives have a problem, and we have been creating problems and writing a solution for these.

One day a vampire and his friend went down to the town to get some blood to eat from the market.

It was Vamipretown.

There were bats everywhere. The vampire used his powers to make the bats go back to sleep.

Once a upon a time two pirates found a box of treasure. They both wanted it so they fought for the gold coins. There were 8 billion coins. They both wanted it so bad. Then they became friends and equally shared the gold coins.

Isla N

In the Arctic there was a wolf, a deer and a polar bear. They were good friends but the icebergs were not together so they could not play. One day a seal came along. The wolf told the seal the story, so the seal carried the deer and the bear to the wolf's iceberg.

Discovery Tuesday –Art Group

This term we have been looking at black and white contrast.

By using charcoal, white chalk and black pencils we have created a collage cat by blending, rubbing and mixing the two colours to create varying shades of grey.

Each picture is now quite unique.
