MISSING BLURB FOR BOT ELECTIONS

Andrew La Grouw

Kia ora koutou. My name is Andrew La Grouw and I am putting myself forward for election onto our Board of Trustees. Sophia and I have two daughters at WVS - Ivy in year 4 and Indigo in year 2.

For the last two years it has been my pleasure to serve on the board as part of a friendly and hard working team. My skillset as a board member includes the ability to engage in constructive discussion to find pragmatic, workable solutions that will best meet the needs of our school. My work background is as a building contractor, and now I am the managing director at Lockwood Group. I am a strategic thinker and problem solver.

I support the school's emphasises on having a good attitude and a growth mindset as crucial factors for effective learning. I also support the strategic way that our school approaches teaching to offer the students agency over their own educational journeys. Good values, a healthy attitude and taking responsibility for your own learning are valuable lessons for our children. I would relish the opportunity to continue to support this work as a trustee on the Board.

The upcoming term for the future Board of Trustees promises to be a challenging time. This board will likely be tasked with implementing a number of changes under the proposed Tomorrows Schools reforms. These changes will likely include fundamental changes to the role and responsibilities of the School Board of Trustees. If I am elected, my goal is to ensure the school smoothly transitions into this new framework, and our school's unique character and voice is not lost in the process.

Last Friday I had the privilege of accompanying 5 of our Room 4 students at the Young Writer's workshop held at the Holiday Inn at Rotorua. There were over 300 students from primary, intermediate & secondary schools attending this day of creative writing. Our 5 students will now share their new learning with Room 4 in a workshop this week. Ako in practice :)

Stainless Steel Clothes Peg Fundraiser

Bento Ninja offers hassle free fundraising opportunity with environmentally friendly stainless steel clothes pegs, stainless steel sporks and waste & plastic free lunchboxes, for environmentally conscious schools and organizations.

STANDARD SIZE PEGS \$20

6cm x 1.5 cm, 1.8mm wire diameter
Stainless steel 304
20 pegs in a reusable cotton cloth bag

** If you live within 500m of the sea, we recommend MARINE GRADE pegs.

MARINE GRADE PEGS \$28

5.9cm x 1.5cm, 2mm wire diameter
Stainless steel 316
20 pegs in a reusable cotton cloth bag
MARINE GRADE pegs are made to last forever.

This is the grade recommended to use if you live within 500m from the sea. They will NOT get rusty under the harsh condition.

Unlike plastic pegs, Bento Ninja's stainless steel pegs are indestructible, rust resistant and will never get moldy or break apart.
