Go - By - Bike Day

A huge amount of fun was had by our students who brought their bikes to school on Tuesday.

This event allowed the students to practice their bike riding skills in a safe environment inside the school grounds.

There were a few spills off bikes, but no major injuries!

I was very impressed to see the organisation that went into the morning to ensure the students had a safe and enjoyable experience.

Thank to the senior boys, led by Alex, for the work undertaken to make this event so successful.

Check out the pictures attached.

STRIVE Day

I was privileged to be part of a planning group yesterday for the upcoming STRIVE Day.

These days are usually organised by teachers and are supported by teacher aides and senior pupils.

This term 2 of our senior boys, Jack and Ryder have asked if they can help with the planning and be a part of the support on the day.

It is great to see our seniors really stepping up and taking on roles of responsibility which will help to build their personal leadership and confidence.

I am looking forward to being part of a really successful and enjoyable day on Tuesday the 2nd of July.

Mud Run

Year 7 and 8s, please make sure your registrations are back asap so you can participate in this challenging run.

Kapa Haka

The afternoon tamariki practice is from 3.30pm until 5.00pm.

There is a whanau meeting this afternoon at 5.00pm. It is important that all parents attend so that a number of topics can be discussed.

Donations have been very generously given to support the senior kapa haka group by the following individuals and businesses:

- Biff Lilo
- Tony Peeti Engineering Ltd
- Central Wool Transport (AWE)
- Rangitane
- Turton Farm Supplies

A huge thank you for this support it is really appreciated.

The fund raising groups have a number of ideas currently being developed and are planning to outline these in next week's newsletter.

Cross Country

The school cross country is on Monday. Lunch will be slightly early and then all of our children are walking over to the show grounds. Running shoes - no gumboots please.

1:00 - Races to start - Starting time subject to change depending on weather
