# 12th June 2019

Welcome to the Week 7 of Term Two.

## School Cross Country

(I made a series of errors in the school cross country notice last week. Please note the correct time and date this week. We have had a slight change of heart and will no longer be running the event at 11pm and have decided to stick with a more conventional time of 11am starting. ☺)

Date: Friday, 14<sup>th</sup> June 2019, Races start at 11.00am

Venue: Tahuna Golf Course

Order of Events:      Preschoolers  
                             9 and 10+ year old boys, then girls  
                             7 and 8 year old boys, then girls  
                             5 and 6 year old boys, then girls

Though races will be combining ages, e.g. 7 and 8 year olds, children will still receive age placings when results are analysed.

We will be needing some parent volunteers to help as marshals on the course and help run the BBQ.

Children can wear their running gear to school but must remember to bring some warm clothing as we will be running this event in all weather except thunder and lightning.

## School App

The mistakes in the newsletter last week highlighted the importance of the school app. (As well as thorough proof reading.) We were able to immediately send out a notification about the correct time and date for cross country to ensure that families could plan for this.

Those that did not have the app were contacting the office for clarification rather than accessing that information directly from their phone.

The app is called School Stream and can be downloaded from your platform's app store.

## Tough Guy/Gal Mud Run

Well done to all those that took part in the mud run last week. We were able to enjoy the run in sunshine and had a great day.

Nga mihi nui  
Jeremy and Staff

## Help Wanted

**We are wanting some helpers for the BBQ at cross country on Friday. If you can assist with the cooking or set up please contact the school office.**

## Tahuna School Friends of School Offers of Help

A notice has been put on the Schoolstream app to get an indication of areas in which you as parents/caregivers would be willing to help the children of our school by ways of fundraising. Please take the time to fill this in, or if you would prefer a paper copy please contact the school office. 027 333 6186. Thank you
