Cross Country

A very successful afternoon was undertaken at the show grounds on Monday afternoon as our children competed in the annual school cross country.

Thank you to the adult helpers who really ensured the day was successful. It is always great to see our parents, past students and members of the local community (especially our local Youth Aide Police Officer, Tararua Youth Services and our quad bike rider) supporting this event.

Thank you also to the staff for their superb input on the difficult stretches of the course and on 'crowd control' and the setting up, recording and generally making sure the day runs smoothly.

The interschool cross country is at Weber on Wednesday. Children that have been selected to participate will receive a letter with full information, this week.

To be chosen to compete children need to have finished their race within a reasonable time after the winner. We do not send children that we don't think their times were competitive or children who haven't got the required behaviour points.

Pinecones

The year 7/8 students are selling bags of dry pinecones for \$5.00 per bag. Ring the office for your order.

Mud Run

Year 7 and 8s, please make sure your registrations are back and you have paid so you can participate in this challenging fun run.

Kapa Haka

The afternoon tamariki practice is from 3.30pm until 5.00pm.

There is a whanau meeting this afternoon at 5.00pm. It is important that all parents attend so that a number of topics can be discussed and a group agreement reached.

The winners of the Kapa Haka Jackets and Makeup Raffle were:

- 1st Prize - Jackets - Renee Holdem
- 2nd Prize - Makeup - Annie Lilo

Thanks to everyone for their support.

Some of the next ideas for fundraising include:

- a shed of crutching
- a sausage sizzle on Friday 28th June outside New World
- a catering event
- a food stall at the Matariki celebrations on the evening of Friday the 19th of July
- a further raffle of a sandpit, firewood a shovel set and a signed Silver Fern Netball
- a 'fancy' dinner on the evening of Friday 2nd August

The kapa haka treasurer has spent considerable time preparing documents for 2 separate requests for donations from groups that make contributions in the community.

The Board of Trustees will consider these applications at their next meeting to dis/agree for the applications to be made

The school received a letter this week confirming (after a newspaper item) that the Tararua District Council has offered the school \$1840.00 as a donation towards the kapa haka fundraising.

We will be very gratefully accepting this very generous offer from the Tararua District Council.
