School Cross Country

Last Friday we enjoyed a great day with our Fun Run / Cross Country event. Well done to all the place getters and to those who gave 100% in their race. I was really impressed to see the effort you all put in to your running and encouraging others.

District Schools Cross Country

This Friday we are hosting the District Schools Cross Country race at Tahuna Golf Course. Tahuna School will be represented by 25 of our fastest runners and I wish them all the best.

Date: Friday, 21st June 2019, Races start at 10.45am

Venue: Tahuna Golf Course

The golf club parking area will be closed to vehicles other than buses and school vans however we will be allowing parking on the domain field.

Order of Events:

- 8 year old boys, then girls.
- 7 year old boys, then girls.
- 9 year old boys, then girls.
- 10 + year old boys, then girls.

Please feel free to come and support our runners. We will be selling sausages and water on the day. If you are available to help sell / cook these please let the school office know. (Sausages will not be available to those non-running students that remain at school.)

Board of Trustees

Thank you to those that put their names forward to support the school by serving on the Board of Trustees for the next three years. The Board met yesterday afternoon to elect a chairperson and define each Board members role. The new BoT are:

- Gavin Austin
- Debra-Lee Foster (staff rep)
- Andrew Kay
- Nick Kraenzlin
- Greg Mills (Chairperson)
- Simon Pearce

Thanks to Andy Mohring, Kirsty Hannah and Amy Shewry for your service on the Board for the past few years. We have appreciated all the time and effort that you have put into the role and recognise the importance of our parent community in the success of our school.

Teacher Only Day – 1 July 2019

A reminder that there is a Teachers only day on the 1st of July. All other schools that are part of the Morrinsville Community of Learning will also have a teachers only day on this day. We will be hosting neuroscience educator and child development expert Nathan Wallis in Morrinsville.

“Nathan will share his knowledge and expertise on child development providing an informative narrative on how our day-to-day interactions with children and young people, significantly in the early years, plays a critical role in defining later outcomes for our children.”

On the evening of the 1st of July Nathan will be presenting to the wider community about ‘The Developing Brain’. I attended this presentation last year and cannot recommend it highly enough. I am confident that those that go along will learn something new about their children and ways we can support and strengthen our tamariki.

Have a great week,
Jeremy and Staff
