WET WEATHER

If only we could control the weather! We have been particularly unfortunate to have so many wet days this term. We have had to close the field as they are a total mud bath at the moment. Our long jump pit has filled up with water and is now a mini pool. Unfortunately this means that all our 360 students are crammed together on our concrete areas and playgrounds. We have opened up the hall during break times and a teacher now supervises games inside to give the kids more space to play in. Cramped space often leads to disagreements but we have been quite lucky in that these have been kept to a minimum.

Dates for diaries

Y6 @ Wairau Int	18/8
Dental Van onsite	22/8
Y6's @ Wairau Int production	23/8
Science Challenge @ Glenfield Intermediate	25/8
BOT mtg 6pm	25/8

BOT mtg 6pm	22/9
Habitat 12 Orangutan fundraiser mufti	23/9
Term 3 finishes 2pm	23/9
Term 4 begins	10/10

Dear Bayview Families,

Can you believe it is week 4 already! This term is flying by!

FAREWELL TO STAFF

Sadly, on Friday 26th August we will be farewelling Narelle Yakas from habitat 6. Narelle has won a permanent job at Kawakawa Primary School which is her home town. It has been a difficult decision for Narelle but she has wanted to return to be close to her whanau, especially her grandparents. Narelle first joined us in July 2015 and completed her first year of teaching with us. We wish her every happiness and success in her new school.

From 29th August Mrs Kayla Cumiskey will be teaching Habitat 6.

ATTENDANCE RATES

The attendance rate for this school year is sitting at 94%. The class with the best attendance so far this year is Habitat 14 with 97%. Well done!

FOCUS FOR TERM 3

During this term we are focussing on building resilience in our students. We have noticed that this is an issue currently. We are pairing this with our value of empathy.

RESILIENCE

Resilience is defined as the ability to recover quickly from difficulties or challenging situations.

Resilience is not a trait that people either have or do not have. It involves behaviours, thoughts and actions that can be learned and developed in anyone.

Resiliency is not one specific thing, but a combination of skills and positive attributes that people gain from their life experiences and relationships. These attributes help them solve problems, cope with challenges and bounce back from disappointments.

Personal resiliency is about our assets – the resources, attributes and skills that help us recover from negative events or feelings, cope with challenges and adversity, and look after ourselves when things aren't going well.

From:

<https://usergeneratededucation.wordpress.com/2013/06/30/resilience-the-other-21st-century-skills/>

GROWTH MINDSETS

The work we are doing in visible learning around growth mindsets and allowing ourselves to be in the 'pit' are important in building resilience. We all know that life often doesn't go the way we planned and developing the skills to cope with adversity and challenge early, are really important and assist children when facing difficulties with their learning. We want our students to know that having a growth mindset will help them with their learning.

With a fixed mindset, there's a strong desire to always appear 'smart' which leads to a tendency to...

...avoid challenges

...consider effort as useless

...regard feedback as though something was 'wrong' with the work.

With a growth mindset, there's a strong desire to learn, which leads to a tendency to...

...embrace challenges

...see effort as the pathway forward

...welcome feedback to improve.

ROLL GROWTH

As I explained in the last newsletter our roll is growing very quickly. We now have 360 students at Bayview and will have around 390 students by the end of the year! If you know of someone intending to enrol their 5 year old with us please encourage them to fill in an intention to enrol form found on our website.

Welcome to our new pupils:

Aaliah Silva
 Abbigail Li
 Jake Gantley
 Wilson Wong
 Charles Hudson
 Shalem Christian

We know you will enjoy your time at Bayview School!

Eggs for Sale

Our Enviro group are doing a wonderful job looking after our chickens and we usually have free range eggs for sale from the school office.

Eggs are 50c each. If possible, please bring an empty egg carton to take them home.

Free ESOL Classes at Bayview Community Centre

We are delighted to announce we have free ESOL classes (English for Speakers of Other Languages) in the pipeline for the Bayview Community Centre.

To go ahead, we need at least 4 people to confirm they will come. If we have enough people, they will be:

9am-11am, Friday mornings

Starting 26 August until at least the end of the year

Bayview Community Centre
 72 Bayview Road, Bayview

With thanks to Jane Rigby, Literacy North Shore who have funding from many organisations including Kaipatiki Local Board.

To register your interest contact:

Ricardo, Bayview Community Centre,
bayviewcc@xtra.co.nz, 443 0231

Spread the word!

我們很高興地宣布，我們有免費的ESOL課程（英語為其他語言者）在Bayview Community Centre！我們需要確認至少有4人會來的。如果

我們有足夠的人，他們將9 am-11am，從8月26日星期五上午開始直到今年尾結束。感謝Jane Rigby, Literacy North Shore和許多組織，包括Kaipatiki地方委員會的資助。註冊請聯繫Ricardo, Bayview Community Centre, 72 Bayview Road, Bayview.

bayviewcc@xtra.co.nz, 4430231.請傳播出去！
