

Huia Range School

Term 2 Week 8 Thursday 20th June, 2019

Website: www.huiarange.school.nz

He mihi mahana kia koutou – A warm greeting to you all

School Phone Numbers 027 781 2224 06 374 6444

Cross Country

The interschool cross country was held out at Weber yesterday and we have yet to receive official results.

Congratulations to all our children for their superb behaviour and for the very good results achieved.

Thank you to all of the adults who attended to support the competitors but especially to Matt and Api for helping with marshalling.

Unfortunately I wasn't able to attend, due to the Education Review Office visiting for the full day yesterday.

Keeping Ourselves Safe

At the start of term 3, students in Rooms 2, 3, 4, 5, 6, 7, 8, 9, 10 and 12 are taking part in the Keeping Ourselves Safe programme. This programme is run jointly by the NZ Police and classroom teachers and aims to help students learn and apply a range of safety skills that they can use when interacting with others.

An information meeting is being held at school, at 3:30 on Tuesday 2 July.

Parents/caregivers are invited to join teachers to learn about the Keeping Ourselves Safe programme.

Building Work

Over the next 6 to 8 weeks rooms 5 through to 12 will be moving out of their classes to the hall or room 1 for up to 2 weeks at a time.

During that time new acoustic tiles are being fitted to help cut down the echo and noise levels in each of these class rooms.

Work started in Rooms 5 and 6 yesterday and will be completed during the holidays.

Room 5 are currently in Room 1 and Room 6 is in the hall.

Kapa Haka

The afternoon tamariki practice is from 3.30pm until 5.00pm.

There is no wananga this weekend.

Staff

Bonnie Erickson has decided to resign from her teaching position at Huia Range School effective over the holidays.

We would like to thank her for her year at our school, and the time and commitment she has put into working with the children. We wish her well in her future career choice.

We are very fortunate to have a very experienced teacher, Liz Brooks, available to work with our room 6 children for terms 3 and 4.

Liz worked in our school a number of years ago and sadly we didn't have a further position to offer her at the time.

We have enjoyed having Liz in the school in the last 2 weeks, as a reliever when teachers have been sick or at a professional learning day and are looking forward to her rejoining our staff full time.

Mana Potential

Students in Room 15 will be working on the Mana Potential programme next term. This is a tool used to support students to self-regulate, engage, and communicate their needs.

Mana Potential supports students by allowing them to identify different emotions, and plan ways they feel they can best stay in a positive 'happy' place.

For the year 8 students, the programme will help them with the transition to high school next year.

Up Coming Events

June

24 - Monday
Assembly 2.00pm, with a visitor

25 - Tuesday
Swimming Rooms 11, 15, 16
