Matariki celebrations in Room 6

Such a beautiful day. We had a special guest, a concert and to end our day a kai hakari. We were also gifted a Matariki korowai but Whaea Bernie's favorite part was the interaction the kids had with teaching the whaanau a Maaori clapping game.

Room 9 created Simple Machine themed abstract art. We made this through print, using a variety of odd bits e.g. screws, bolts, gears and wheels. It was quite a number of students' first time printing. They had lots of fun learning the skills around it. E.g. not using too much paint or it will blotch and cleaning object before using another colour to ensure they don't mix.

AUTHOR CORNER!

Last week, year 5 & 6 students were lucky enough to go along to a performance of Annie by the National Youth Theatre Company. We all had a great time hearing the songs and seeing the amazing dancers and performers.

Afterwards, some students from Room 13 tried to write letters from different characters perspectives. Here is some of the creative writing they came up with.

Hello, little Annie.

It's been years since we've spoken together. How have you and those moron's been going. Are you glad you don't have to clean the house everyday? You are probably relieved that you don't have to get bossed around from me. I don't know if you already knew this but I never liked you, you were always a little brat. Now I will see you years later you little brat.

Dear Orphanage

I am having a wonderful time with my new parents Grace and Daddy Warbucks (AKA Oliver Warbucks) We went to the movies and watched Roxy it was great. My bedroom and closet is very big. I hope Mrs Hannahgan doesn't stop you from singing and dancing it's the only fun we have there! Well at least we have fun and a lot of space to dance. I have been practicing my singing and its gotten much better. Every day I go to the alley to meet Sandy, he tries to follow us but Grace doesn't like dogs. I have planned to invite you all to our Christmas party.

*Love, Annie
