## Week 2

Tēnā koutou katoa

We have had a positive start to the term regarding learning, behaviour and students wearing the correct uniform. Thanks students, parents and teachers!

I have already taught in every classroom this term and have seen many excited students who are ready to learn, which makes my job very satisfying. Getting into the classrooms makes my job as a teaching principal enjoyable and more effective when discussing teaching and learning during staff meetings.

Term 3 this year is a mostly straightforward term without too many interruptions. This allows our teachers to really knuckle down with the learning that happens every day. It also allows more time for parents to build strong relationships with their child's teacher. If you have any positives to share, questions or concerns please book a suitable time to meet with your child's teacher.

This term our students are all learning about Inventions that have changed the world. We also have science kits that every classroom can use each week to explore different areas of science and run experiments. Our math is based around fractions and ratios. This is often a difficult concept for students to grasp, so you can help us and your child by talking about your their learning every day and helping them with their homework if needed.

Have a great weekend.

Inspired, Confident, Proud Tamariki

Matt Jackett  
Principal

## ROOM 1 NEWS

We have been working on a piece of artwork for a world peace exhibition. Students have included patterns from their ancestry and pictures of them doing something they enjoy. It's in a shape of a Kiwi to represent our precious taonga of Aotearoa.

## ROOM 2 NEWS

Sleepy feels like comfortable beds and teddy bears.

Sleepy looks like silence and quiet.

Sleepy sounds like a tiger's snore.

Sleepy smells like heated blankets.

Sleepy feels like resting in a tree.

Sleepy looks like eyes closed.

Sleepy sounds like a yawn at bedtime.

Sleep smells like everyone's sweat.

Sleepy is a leopard snoring all night.

## ROOM 3 NEWS

Plastic has changed the entire world! Trough out what we wear what we see and what we do! For instance what we wore in the old days it took around 3-4 weeks to make one single hoodie, in our days it takes a week to make 100 hoodies! Plastic also lasts a lot longer! They use to drink out of glass bottles of milk that lasted 3 days, in our days a plastic bottle of milk lasts weeks. How do you feel about plastic? **Maddie KJ**

## FRIDAY SAUSAGE SIZZLE & JUICIES

Don't forget Sausage sizzle is every Friday and we now have juices available too \$2 each. \*CAMP FUNDRAISER\*

# AWARD WINNERS
