Greetings to all Parents, Caregivers, and whanau,

We are already up to Week 5 and as usual the term is flying by. Students are continuing to work well in class and are enjoying learning mathematics. The children are also enjoying practicing their maths skills using some cool computer maths games including Study Ladder and Maths Playground .

Some of our middle and senior students have spent time revising how to tell clock time.

TEACHER ONLY DAY - 26th AUGUST:

All teaching and Admin staff are required to attend a Restraint Safety training course. Unfortunately this has to be held on a week day so Aberfeldy School, along with other small schools in our district, will need to have a **TEACHER ONLY DAY** on **Monday 26th August**. Please make alternative arrangements for your child for this day as there will be **NO Staff** at school.

MATHEX:

We have entered several teams and all honing their maths problem solving skills and will bring some home to see how good families are at problem solving.

CROSS COUNTRY:

The Inter School Cross Country is coming up and students need to be building up their fitness by walking or jogging every night. As we practice at school regularly children need to bring appropriate clothes and shoes .

RAFFLE:

The winner of our raffle is ..

Irene Loder - sold by Caiden

And because we received so many donations for the basket we have decided to have a second prize which goes to ..

Sadie - sold by Heaven & Anthony

HELLS PIZZA:

From now till the end of the year we are taking part in the **HELL's PIZZA READING CHALLENGE** - where students must read books (suitable to their age level) and have them marked off on the pizza wheel.

When their wheel is full (7 books) they get a voucher for a free 333 Kids Pizza.

Children will be required to complete book reviews on the books that they have read.

Hells Pizza asks that we monitor this very carefully - so that their generosity is not being abused, with the aim being to get more children reading more books.
