# 4th September 2019

Welcome to Week Seven.

## Livestock Day – Change of Date

Unfortunately we have had to change the date of our Livestock Day due to a clash of dates with Morrinsville Intermediate Livestock Day.

The new date is **Wednesday the 16<sup>th</sup> of October.**

**Please register your child's Livestock Day animal before the 13<sup>th</sup> of September.**

## Measles

As many of you would have seen in the media over the last few days, there has been a significant outbreak of Measles in Auckland and there are now 7 reported cases in the Waikato. This has led to all schools in the area ensuring that their immunisation records are up-to-date. Thank you to those that have passed on their immunisation records so promptly – if you haven't heard from us, we have all the information we need from your whanau.

If a Tahuna School student has a case of measles, which is confirmed by Waikato Health, then we will ask all children, staff and members of the community who do not have proof of immunisation to stay away from school for 14 days. This measure is obviously to try to limit the spread of any measles outbreak should it arise.

## Hockey/Soccer Fun Day

The organisers have decided to postpone the Fun Day until next Tuesday. If the weather hasn't cleared by then the day will be cancelled. All children participating in this day need to bring:

- ◆ Mouthguard
- ◆ Plenty of food / drink for the day
- ◆ Black shorts

## Calendar Art

Students have been working hard on their Art pieces for the calendar art fundraisers. Check the school app for order details or stop in at the office for a paper order form.

Below are two examples of some of our student's artwork.

Have a great week
