Weekly Panui - Monday 2nd September 19

Kia ora whanau,

This is my last week in Wellington, working on a selection panel for the Ministry of Education. During this time you are welcome to email (principal@waikitevalley.school.nz), text (027 634 4744) or PM (School FaceBook page) me with any urgent issues - otherwise please contact the office with less pressing matters. :)

All classes will be presenting their speech or recitation work this week, celebrating oral language and public speaking skills. The best speakers from each class will then perform at our school speech assembly next Monday at 9am.

Students selected for the assembly will be told by this Friday at the latest. All whānau are welcome to attend - it will be held in the Community Hall. Please check with your classroom teacher if you would like to see your child/ren perform to their class this week.

Have an awesome week! I look forward to being back :)

Around our School

We have chosen our 3 entries for the Feel Brave writing competition. All of the class will continue turning their manuscripts into books for Pod 1 later in the term, but congratulations to Ethan and Luke, Chante, and Harriet, whose manuscripts and vision boards have been entered in the competition.

We're enjoying learning to recognize coins, and notes and to count money. Some of us have been working out the change that we would receive if we spend a certain amount. With this and creating some exciting products to sell we are gearing up for our market day later in the term.

We have been preparing for our class speeches that we will present on Friday. We also had Henry Worsp come in and talk us through equipment, safety and weather to prepare us for our ski trip on Sept 11 and 12

Pod 1 created Ham Burgers for Fun Friday. They purchased their toppings with Moolah earned from cleaning up, reading and other positive choices.

PET DAY ORPHAN LAMBS

If you are wanting a lamb for our school pet day - please let the office know and we'll put you on the list. We start receiving lambs from the 25th August and are happy to rehome them right through to the end of September. These are at no cost, but make sure you are ready with milk powder and a warm place to house them.
