## Week 10

Tēnā koutou katoa

Ripper Rugby was a great success last Wednesday with two Pirinoa teams competing in the Masterton tournament. The senior team were fit, fast, and showed good teamwork to end up in third place. The junior team were excited, and energetic and ended up in second place. Thanks to Jess, Tarns, Nicola, and Sonya for helping with coaching and transport.

St Johns ran a lesson in the senior room last week focussing on Emergency First Aid. Our students did a great job at singing in beat while performing CPR (one of the songs was 'staying alive'). Something that they hopefully never have to do in real life.

Ms Pickering organised a trip to the Mushroom Farm on Monday with our Enviro group. The students learnt about the uniqueness of mushrooms and the suitable growing conditions. Hopefully we can grow some of our own in the future.

Thanks for your support on Tuesday with Kapa Haka. Our students looked amazing on stage and the volume echoed nicely around the theatre. Once again Jo did a great job at leading our group and Luke was able to help out with the boy's haka, which inspired them a lot. Thanks Jo and Luke for giving up your time for this. Hopefully we can work together again next year.

Room 1 went on an excursion to the Lake Ferry Hotel yesterday. The students had a great time learning about hospitality and were able to eat some yummy food. Thanks Candice and Tara for working together to organise this trip.

The Peter Pan Performance sounded like great fun yesterday. Room 2 looked like they were ready for next year's production practise to begin as they told me about their thoughts on the performance. Thanks Nat, Jess, and the parents who helped out with transport for this trip.

Pet Day Preparations are well on the way for next term. We are planning on having a working bee on Saturday 12th October (the last Saturday of the holidays) from 9am to 11am. General jobs include weeding, trimming the hedges, clearing the gutters and drains.

Well done students for your efforts and achievements this term and thanks everyone for your support. I hope you all have a great holiday!

## ROOM 1 NEWS

Lake Ferry Hotel Visit.

We kept our elbows off the table.  
We didn't eat with our mouth open.  
Jayziah complimented the chef.  
We used thank you and please.  
We listened to Candice when she was talking.  
We didn't play with our food.  
We used our inside voices.  
We waited for our turn to talk.  
We took just right bites.  
Room 1 students know how to use their manners when dining out.  
Thank you Candice and Luke for giving us this opportunity!

## ROOM 2 NEWS

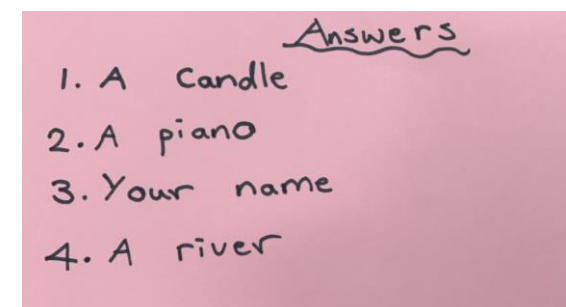

Last week we had two visitors in our class. Aaron came to teach us about bees and beehives. We learnt heaps and really enjoyed being able to answer all of our questions. We learnt that there is a special jelly that bees make to get a new Queen and that honey is a good medicine.  
We also had a visit from Christine who works for St. John. We learnt about first aid and how to ring 111. We practiced putting each other in the recovery position and bandaging gashes on our arms or legs.

## ROOM 3 NEWS

Riddles:

1. What starts off tall but gets shorter the longer it stands?
2. What has lots of keys but doesn't open any doors?
3. What belongs to you but is used more by others?
4. What murmurs but never talks, runs but never walks, has a bed but never sleeps, has a mouth but never eats?

## AWARD WINNERS

### WEEK 10 LEARNING AWARDS

**PRINCIPAL'S AWARD:** Aleesha Hume for showing consistency with her learning and behaviour throughout the term.

**ROOM 1:** Jayziah Terry for showing excellent manners during the Lake Ferry Hotel visit.

**ROOM 2:** ZinZan Andersen for being extremely helpful while packing up our class this week.

**ROOM 3:** All of Room 3 for very entertaining and creative stories.

**PLAYGROUND AWARD:** Kingston Love & Jono Disdbury for great leading in the Haka.
