Technology

The days have changed next week for all of our DHS technology classes.

Room 16 boys are going to Tech on **Tuesday 3rd December** for the full day

Room 15 girls are going to Tech on **Wednesday 4th December** for the full day

Room 11 year 7 boys and girls are going to Tech on **Thursday 5th December** until 12.00pm and will then return to school.

Please ensure your Technology child is wearing the correct shoes on their tech day.

White Ribbon Rock

Our school has been given 5 White Ribbon Rocks.

These rocks will be hidden in safe places around the school, next week.

If your child finds a rock they have until the 9th of December to return it to the REAP Office to claim a prize.

Forbes and Tippet

The school has 6 teams competing at the Forbes and Tippet relays on Monday night.

There are two year 5/6 gender mixed teams, two Year 7 teams - one boys' and one girls' and two Year 8 teams - one boys' and one girls'.

We would like all competitors to meet in front of the grandstand at 5.10pm.

Relays start at 5.30pm. Whanau and friends are very welcome to watch and support our teams.

Please keep preschoolers well back off the running track.

Monday Triathlon

The staff are planning a fun triathlon afternoon for all of our children on **Monday 16th December**, at WaiSplash and the Domain.

Children will have the option of swimming, running or biking as part of a 'house' team or competing in each event on their own.

Teachers will help children organise their team and event.

We will have a early lunch and will be starting around 1.00pm and returning to school by 3.00pm.

To have a safe and fun event we do need adult helpers. Please ring and give Suzie your name if you can help.

A lot more information will be available closer to the event.

Photos

All photos are available from the school office.

Please collect them yourself or write a brief note or ring, if you would like the photos given to your children.

Marae Trip

Rooms 6 and 7 have planned a visit to Makirikiri Marae next Tuesday, 3rd December.

An information and permission form is attached to this newsletter.

Please return the form with \$1.00 by Monday morning.

Swimming

It is great to see how many of the children in rooms 5, 8, 9, 10, 12 are remembering their togs every day.

Swimming for these classes continues through to the end of next week.
