Weekly Panui - Monday 2nd December 2019

Kia ora Whanau,

Our end of year reports will be sent home early next week with a summary of how your child/ren have progressed over the year in the core subjects (Reading, Writing, Maths) and a general comment (regarding their strengths in the key competencies and school values, as well as any comments on the wider curriculum).

Following the reports are our parent/teacher interviews (**please keep your children home this day** as all teaching staff are engaged in meaningful interviews during the course of the day). These interviews are a chance to explain further the information and assessment data that feed into the report comments - and allow you to ask about the challenges, strengths & weaknesses of your child/ren at school. These are limited to 10 min per child - if you have more you would like to discuss after this amount of time, please arrange another time with your classroom teacher.

Inside the newsletter you will see your child's class for 2020, with their Year level. Please remember that their year level (up to Year 5) changes during the year when they have their birthday (hence our need to list D.O.B. beside their names on class lists). As usual, there will be some class shifts during the year to allow us to balance the classes better.

In 2019 our starting date is Tuesday 28 January. Stationery lists are attached. This year we have decided families can shop at a stationer of their choice – this is hopefully cheaper and easier for you. Let us know if you have any questions about the items on the list. All students require their stationery on the first day of school next year. Thank you all for your support over the year, it has been an extremely successful one and our small, rural school continues to box above its weight and offer our students a well-rounded education second to none. This is what we will continue to build on in 2020!

HELP WANTED

Transport Request

If anyone is travelling from town to Waikite in the morning and into town after school (2020) could they please contact: Lynn on 021 2925916.

Even if someone could help out a couple of days that would help us having to go to and from Waikite each day. Happy to help out with petrol.
