Weekly Panui - Monday 3rd February, 2020

Kia ora whanau

We have a busy week with the SwimMagic tutors in teaching swimming survival skills and the Life Education Caravan with Harold the Giraffe teaching a range of health topics to the classes.

Your classroom teacher will send a letter home to you today with information about the learning your child/ren will be involved in this term. Please take some time to have a look over and talk with your child about their goals for the term. Next Thursday (13 February) we will be holding our Parent/Teacher conferences with the purpose of these are to meet the teacher, share your child's interests, goals & challenges, what your aspirations for them are and any concerns you may have. The teachers will share their classroom expectations and home learning plans. That way we all start the year on the same page and can plan for an exciting year of achievement.

The first camp notice is also coming home today, with the greatest urgency on confirming attendance/permission and establishing parent-help indications for planning and police vet applications. Please return this as soon as possible :)

Pod 1 have been taking part in a new program called '6 Bricks'. Why six bricks? When they are engaged and challenged in playful ways, children practice skills for learning:

- * Language - describing, giving instructions, explaining your reasons, and telling stories
- * Problem solving - achieve a task or challenge set goals and make plans, come up with creative ideas, and reflect on what you do
- * Collaborate by working together in pairs or teams, share turns and the materials you work with, learn from each other, and learn about roles and responsibilities
