Comments:

Dear Parents and Friends of the School,

I would like to thank all our parents for being so understanding of our social distancing requirements. Thank you for dropping your children off at the gates, or saying bike/scooter/walk to school. As you would have noticed in a notice that went home on Wednesday, we can now have parents in school, as long as you have the Skool Loop app and you complete the 'Check In' section. Please note that you cannot go into the classrooms currently.

Our Year 1 children (Rooms 6, 7 and 9) will still go down to the bottom courts at 2.45 pm as I am unsure how many parents have the app and it could get tricky. I will get the Year 1 teachers to do a survey and if we are at 100% then that class can have their parents come to the class and collect their child starting next week.

I would also like to acknowledge all of our students who have been amazing. It was like the first day of school again. The children were delighted to be back and the teachers were equally as excited. It is lovely to see the reconnection of friendships of our students and the parents. The atmosphere at school is one of positivity, laughter and a feeling of belonging.

We are having an assembly this Friday, with Mrs

Levitt's class (Yr 6 Rm 1). This will be watched by children of the Senior Syndicate while the other classes, and parents, can watch it live on our Facebook Page. I will be giving out certificates and the other trophies also.

Sarah Allen has been appointed to take the New Entrant Roll Growth class in Terms 3 and 4. We are delighted to have her back. Anthea Dunning has been appointed to take Jaime Wilkinson's class in Terms 3 and 4 while she is on maternity leave. Once again we are very fortunate to be able to appoint high calibre staff who know the school very well.

Finally, I would like to reiterate a big thank you to our community. You were amazing with your homeschooling, your patience with our Health and Safety procedures and ensuring your children return to school knowing it is safe.
