

Belmont Primary School

Newsletter 18 June 2020

Principal's Comments:

Dear Parents and
Friends of the School,

A big thank you to Armagh Takura for his work in creating a wonderful kitchen garden outdoor area. This will be an amazing asset for our **Garden to Table project** which will start in Term 3, with our Year 4 classes being the pioneers. As we get ready for this programme we are also upgrading the **PTA kitchen** so it can be more functional. It will have more bench space, two ovens, a dishwasher and better cupboard spaces. I would like to thank **Anna Thomas and Mel Ashby** for their time in designing the kitchen and the outdoor garden area. Thank you to all the volunteers that came in the weekend to help Armagh.

We have appointed Natalie Denton to coordinate the kitchen (food) area and Sue Claridge to coordinate the garden programme. If being a volunteer interests you and you are available on Tuesdays from 8.45 -11.00 please let me know. We are looking for 3 volunteers for the garden area and 3 volunteers for the kitchen area. This new curriculum area will enhance our vision of curiosity, confidence and maybe some creativity in the kitchen!

I would also like to thank you for your support of **supplying cardboard** so we can construct a cardboard city next week. This will be another

amazing collaborative project and once again supporting our vision of creativity and curiosity. I am so looking forward to what our children can create with cardboard, tape and a sharp knife!

Over the upcoming holiday period we are going to **upgrade our senior quad with Tiger Turf**, replacing the old blue matting. As I mentioned in the last newsletter this funding is from the Government's Infrastructure Grant, which also funded the outdoor garden area.

Finally, thank you for allowing your children to gain a sense of independence and allowing them to walk, bike or scooter to school, or allowing them to walk up the driveway or bottom courts by themselves.

Bruce Cunningham
