Comments:

Dear Parents and Friends of the School,

We are holding our Parent Teacher Conference today and as usual we have a very large percentage of families meeting their child's teacher. If you were unable to come today, please communicate with your child's teacher for a 10 minute appointment at a time convenient to both.

Our building projects are progressing and on time. We have now completed another project of installing Tiger Turf in the Senior Quad. This has made a huge difference to the aesthetics of this area.

Thanks to all the volunteers who have been helping with the Garden to Kitchen project and Matt Senior from Devonport Hammer Hardware for your support which is very much appreciated.

A reminder that our school cross country is on Friday 14 August.

We are in desperate need of Waterwise Instructors for our Year 5 and 6 programme. If you have time on Mondays to support this programme and the children who are coming through the school please contact me. There will be a commitment of 11 training sessions to get certified. If we can't get the help this programme could be in jeopardy.

The Board is sending out reminder notices today for unpaid school donations and compulsory activity fees that are unpaid. We understand that many families have been affected by COVID-19, however if you have not been affected and have not paid your donations or activity fees we would really appreciate your financial support. We have a large group of

wonderful support staff that work with your children daily that your donations assist with. We have resources that we need to buy to ensure your child has the best opportunities to learn and we have sports teams that need financial assistance. Thank you, your donations are appreciated and your fees are required.

Finally, I want to thank all the families who have taken on coaching or managerial roles now that our sports programme is up and running. This is very much appreciated.

Bruce Cunningham
