Term 3, Week 5

BUSY TIMES

What an excellent time Week 4 was at our little school. We had so many things happening to keep everyone busy and entertained while learning. As well as a focus on developing writing programmes, a busy maths programme and visitors taking road safety science, rugby, football and music, we did also manage to get a mini Olympic event in on Friday afternoon. Everyone is working so hard to improve, manage themselves and be deep thinking learners and they really have shown what amazing workers look like. It was great to read so many fantastic pieces of poetry from both classrooms and some great explanations on how to make a hangi. Many students from the senior room used their prior knowledge from when Pania and Henare put down the hangi at our school. They brainstormed their ideas to write their explanations. We have so many fun things coming up and we look forward to hearing that everyone is sharing what is happening at school at home.

DESIGN TECHNOLOGY

This Friday will be the final day for our Year 7/8 students in this rotation of Design Technology. There will be a reminder note sent out again when the final set of 6 classes begins.

RURAL KIDS – DAY FOUR – FINAL DAY

Please note in your diaries the final day for Rural Kids this year will be on Thursday the 22nd of September at Opaki School from 9.45am. There will be an extra reminder closer to the time.

DAFFODIL DAY – Friday 26th of August

Let's turn yellow this Friday the 26th of August to support Daffodil Day and celebrate the start of spring. We would like all children to bring \$2 or more to donate to the Cancer Society and we will collect this on the day and take to town in the afternoon. There will be some prizes for the best and most innovative dress up.

VISION AND HEARING SCREENING

Vision and hearing screening will be done at school this Wednesday the 24th August. They will be screening Year 7's, and any Year 8s or new entrants who missed their Year 7 or B4 School check. They will also screen any new referrals.
