LIFE EDUCATION

From the beginning of next term all of our classes will be visiting the Life Education Caravan to support students' learning. We are extremely lucky to be able to have the Life Ed caravan visit each year as some schools do not get to have this fabulous opportunity. It does cost \$5 per student to attend two lessons and to receive a workbook. Please make sure you send this money to school by the first day of term 4 (Monday 10th October) so your child can join in. Students who do not pay will go to another classroom whilst their habitat is in the caravan.

Dear Bayview Families,

THANK YOU

What an amazing term! So much has happened in such a short time! We have eco warriors and social activists making a huge difference in their local and global world. Our students have been further researching our sustainability concept and are now moving into the phase where they take their learning and make a difference to others. Thank you to all the parents who are supporting this at home and at school.

Thank you to all the wonderful organisers of fundraisers at Bayview. This term we have held a school disco, a quiz night, two movie nights, a pizza lunch and of course daffodil day. As you know we try to engage in fundraising that can be enjoyed by a variety of different groups, as not one event suits the needs of everyone. Without the parents who offer their time and organisational skills we would not be able to provide our students with the educational opportunities nor the safe physical environment to work in.

Thank you also to all the parents who have coached, managed, or supported our sports teams. Mr Allison and Ms Berquist work really hard with lots of extra hours work to provide our students with sporting opportunities but this would all be in vain if parents did not step up to coach and manage. Thank you for giving your time, it means a lot to our kids!

ATTENDANCE RATES

Our roll is currently sitting on 377 students. The attendance rate for this school year is sitting at 94%. The class with the best attendance is Habitat 1 with 97%. Girls have 94% attendance while the boys are sitting on 93%! ☺

G.L.A.M

A huge thank you to all the mum's, aunties, nana's, big sisters and girls who attended our GLAM evening. It was a fabulous turnout and a wonderful way to engage your daughter in maths. Thank you to Emma Harper, Dani Grace and Alyssa Farrow for organising the evening!

BUILDING REPAIRS

On Friday 9th September the board and I met with the Right Honourable Paula Bennett, local MP for Bayview. We outlined some of our frustrations around getting our roof replaced and our other building projects completed (drainage, electrical circuit board upgrades and toilet upgrades). Paula listened to our concerns over delays and lack of funding and has gone in to bat for us! We also spoke about our roll growth and our desire to have some new classrooms built to accommodate this growth. This is something we will work alongside the Ministry of Education on. The BOT recognises that habitats 4 and 5 are nearing the end of their life and our desire would be to demolish these classes and build new ones.

BYOD, INNOVATIVE LEARNING, E-LEARNING

This year we have 2 e-learning classes, 1 innovative learning environment and 4 BYOD classes. Next year we will be looking to expand this by providing more opportunities for students to be in ILE's and BYOD classes across all levels of the school. We recognise this is a different way many parents have been taught and that you will have lots of questions around these changes. We will be holding an information evening for parents of students Y0-Y6 on Wednesday 19th October at 6pm (venue to be advised). Please join us for what will be an informative evening.

Welcome to our new pupils:

Kasey Hawkins
 Maxwell Higgins

We know you will enjoy your time at Bayview School!

Ezlunch is coming to our School

The beginning of Term 4 we will be introducing a new Lunch order system at our school.

This will be available Monday-Thursday from Go-Deli and we will have Pita Pit Fridays. Go-deli foods will not be available on a Friday.

A Letter and Menu will be coming Home with your child/s next week to explain how it all works.

As this system is not done in School and is ordered via Internet or txt (txt which will incur a 50c service charge).

Payment is by ezlunch account, which you top up by debit or credit card or by bank transfer, in advance or at time of purchase

The Menu has a lot of healthy options and we are quite excited with the amount of choices.

This means that we will no longer have Lunch orders from our School lunch room.

Thank you to all those parents that took time out of there day to prepare hot meals for our kids.
