

Pirinoa School Fundraiser Wednesday 19th October: Mel Parsons show Pirinoa Station Woolshed

What we need to do: Prepare, cook and serve gourmet burgers and dessert nibbles for up to 150 guests on the evening of Wednesday 19th October. Please can all families contribute to this to ease the pressure on everybody.

Prior to the day we need volunteers to bake tiny and delicious finger desserts which will be mixed up and served on a side plate to each guest along with self-service tea and coffee at the shows intermission.

On the day we need a small team to prep the food for the evening – this will be in the afternoon sometime and will take about 1 hour.

On the evening we need helpers to set up the Gourmet BBQ station, dessert plates and hot drinks area. Cook the burgers on BBQs, take guests money, assemble burgers and serve. This will be from 5.30 to 7pm and then you can go home or pay to go to the show. There will be a few people needed to pack up the food area and tidy.

All families will be rostered on to do something if we do not have enough volunteers so get in early to get a job that you prefer
