Mehemea ka moemoea ahau, ko ahau anake.
Mehemea ka moemoea tatou, ka taea e tatou.

If I dream, I dream alone.

If we all dream together, we can succeed.

-Te Puea

How can we dream together to make a difference for others?

Students have responded to this question by asking questions, researching, forming action plans and creating products and services in order to raise funds to help those in need.

The children will be holding a market day to raise money for Kiwi Harvest!

Kiwi Harvest are Auckland's perishable food rescuers; They collect good food before it goes to waste from supermarkets and distribute it to those in need to nourish the wider community.

We are asking each child to **bring \$2 to participate in the market day** and this will be exchanged for puriri (school currency) to spend at the stalls.

If you or your child would like to bring additional money to spend this can also be exchanged for puriri at the bank (Whaea Emma's Office) each morning next week from 8.30am - 9.30am. The bank will also be open throughout the market.

There will be...

Arcade & entertainment

Eateries

Garden Centre

The Shopping Mall

Whanau and the wider community are invited to come and participate in our market day. It is going to be a wonderful event and we would value your support!

See you there!
