**How can we dream together to make a difference for others?**

The **Kotahitanga Call to Action Market Day** was a complete success. This term our students asked questions, researched, planned and took action to raise \$2200 for a worthy cause - **KiwiHarvest!**

Thank you to all our amazing parents, whanau and community who came and supported our students as they showcased their learning in this meaningful and change making way.

The total donation given to **KiwiHarvest** was \$2875.90  
**KiwiHarvest** responded to the student's actions...

**KiwiHarvest** We are completely overwhelmed by your actions! Beautiful children, your very special teachers and your community, we can't thank you enough for your amazing creativity, efforts, hard work, thoughtfulness and generosity. You have filled our hearts, inspired us all and we promise to deliver all your goodness right back in to your community. Can't wait to see you next week. Lots of love from all our team xx

**KiwiHarvest** That's 4,400 meals that **KiwiHarvest** can deliver straight back in to your community! You should be so proud, that is amazing! We are still talking about your incredible school - the dynamo teachers, clever and compassionate children, generous whanau - and the whole community who rose to the Kotahitanga call to action to achieve so much. Your donation and your spirit drives us as we rescue more surplus good food for those who are struggling. Can't wait to see you all tomorrow. You are forever in our hearts.

We welcomed **KiwiHarvest** back to school to receive our donation at assembly this week.
