Weekly Panui - 10th October 2016

FANTASTIC NEW LEARNING SPACE IS COMPLETE!
Room 1 & 3 have moved into their new space to finish this year in style. The class has been re-roofed, new ceiling with insulation, new LED lighting, under floor insulation, new carpet & vinyl & modernised wall coverings. It is looking & feeling so fresh & bright! We will grow into the space over the term & decide on a name.

Keyboard Students

For the parents of piano students—Justine Lette (the tutor) has set up a private Facebook group called "Music with Justine". You can keep up to date with lessons and contact her on there if you would like to.

Mulch needed

Room 4 have started planting our food forest. We still need woodchips used for calf rearing last year or older, or compost. We would also like some natural fibre carpet if you have any. We are laying them down to stop the weeds growing around the fruit trees. We would appreciate your donations. If you would like to drop any donations at the school in the holidays you are welcome to, please put neatly behind the pool change sheds, on the current pile. Thank you!

Thank You

★ To all those who kept an eye on school over the holidays. We are very fortunate to live in a safe, caring and thoughtful community.

My name is Mary and I work as a local Area Coordinator in the Lakes District walking alongside people and families living with disability. One of the main aims of my role is to look for and to develop natural supports and community connections. There is a young lady (22) living in your community who would like to spend some time with horses. She would love an opportunity to help out with feeding and grooming and maybe even to ride. If you have horses and a little time each week to help out or would like some more information, please contact Mary 282 2199 027 558 6565 mary@imaginebetter.co.nz
