NEWSLETTER NO. 32

25 November, 2016.

Tena Koutou Katoa,

Yesterday I met with Luke Mattock our Deputy Principal who starts in Term 1, 2017. We spent the day looking at our MANA programme and how it works with our kura. He already has a great understanding of the programme which will benefit Waitara East School.

The Support staff are currently packing down the Art Exhibition. The art works are amazing, the support staff are now putting those pieces up on the walls in the hall. They do a massive job in our school and we are so lucky to have them. Thank you. The work (from 2015) that is being taken down will be handed back to the children to take home.

The teachers are all very busy at the moment writing reports. The Junior Mainstream Teachers (Year 0-3) write reports for children on their anniversary (after 20, 40, 60, 80, 100, and 120 weeks of school). Please be aware that those children in the Bilingual and Senior Syndicates will be getting an end of year report. These reports are due home on Friday 9th December.

Next Friday some of the senior children will be going to TAG Oil Tough Kids. This is where they will competing in a lot of fun activities. The children will have a great day.

Each week the support staff will put out the lost property for children to look through, parents are also welcome to look through. The two days will be Thursday and Friday in the hall or on the court.

PS Congratulations to Kyla Birss for making the Taranaki Touch Team.
