PIRINOA SCHOOL NEWS—Letter from Pirinoa School Board of Trustees.

Hi everyone.

The school year is well underway now. The team at school has been doing an outstanding job.

On 25th February we interviewed three outstanding candidates for the Principal/Teacher position at our School.

The successful candidate was Mr Matthew Jackett from Avalon Intermediate in the Hutt Valley. Matthew has fantastic credentials as a teacher and possesses the leadership qualities we are all looking for. Judged against the requirements from community and students, he definitely fits the bill.

Matthew and his partner, Monique, will move into the school house. Matthew will start at the beginning of Term 2. There will be a bbq to meet them before the start of Term 2. It would be great to see as many as possible to show our support for Matthew and Monique. The date will be confirmed in the coming weeks.

As a Board we would like to thank the parents, community, students and staff for their patience and support in this process. The school is striving ahead and the aim is always to advance the children's education and help set them up for successful lives.

Regards, Pirinoa School Board of Trustees.
