PARENT/ CHILD/ TEACHER INTERVIEWS

These will be happening this week on Wednesday and Thursday 22nd and 23rd of March. We have sent home with today's newsletter a copy of the timetable. We have also included a copy of your child's learning qualities and we will be discussing these in the interview. They are based around the key competencies and are essential skills for learning. Please go over this with your child before the interview and have questions and discussion ready for us at your interview. If your name does not appear on the timetable you will need to phone school to book in a time as we have not seen your form returned.

MOVING MARCH – CYCLE SKILLS

This week we have had the team from Pedal Ready come in and take cycle skills with our kids. All the students from Year 3 upwards are part of this course and it is great to have facilitators come out to us and support our school. Later this month we ask that everyone decorates their shoes and we will be judging their shoes on Friday the 31st of March, when they wear them to school. We have plenty of prizes and we will also be judging the colouring competition on that day as well.

ATHLETICS – MAYA AND REBEKAH

It was great to hear old students doing well in college so a huge well done to Rebekah Jenkins and Maya Oliver for their achievements at the Makoura College athletics day.

KIDZ CONFERENCE 2017

On March the 29th the annual Kidz Conference is on again at the Copthorne Solway Park Hotel. All the best to our 11 students who are taking part on the day.

SCIENCE ROADSHOW

Next Monday the Senior Room will be going to MIS to take part in the Science Roadshow. Everyone will be taken by school vans at 11am and the day runs until 2pm. From there the vans will start their trips home. Any students who live in town, it would be appreciated if you could pick your child up from MIS at 2.15pm or be at your usual drop off point 1 hour earlier than normal. I will be phoning these parents to discuss the best option for them.

MASTERTON SCHOOL SWIMMING SPORTS

An excellent effort by Tessa and Amy at the Wairarapa swimming champs last week as they took on the best from our region. They both did a great job and Tessa even managed to win her 100m freestyle heat!

SPORTS

Cricket

Incrediball Team – On Friday night the team played against Martinborough and had another good win by around 15 runs. Thanks to Bayley and Poppy for filling in for us. They were both made players of the day for helping out.

Kiwi Cricket Team – No game this week for the little team due to a default.
