What's Coming Up – Dates To Remember

| Date | Activity | Parent Support |
|-------------|---------------------------------|--|
| 3.04.17 | Year 8 Camp | All fees in and prepare gear for camp next week please |
| 5.04.17 | Yr 5/6 Swmming @ Panmure Lagoon | Come along and cheer your children in swimming teams |
| 12.04.17 | ECO-Exhibition | Come to school to share our Inquiry Learning Outcomes |
| 13.04.17 | END OF TERM 1 | PLEASE PICK CHILDREN UP ON TIME TODAY |
| 1.05.17 | Start of Term 2 | Early to school today Ready for new learning |

Dear Whanau

For our Eco Exhibition on the 12th April we are looking for some portable gazebos to display our Inquiry Learning. If you have one that we could use please let your classroom teacher know by the 1st April.

Thank you in advance

The Inquiry Team

ECO EXHIBITION
Wednesday 12th April
2pm – 4.30pm

We invite all parents and whanau to join us on this day to share in the learning from our Term One school-wide Inquiry Learning programme. Our mindset for Term One was “I AM AN ECO-WARRIOR” There will be class gazebos on the top court for you to visit and engage in the learning outcomes for the term. Look forward to seeing you at whatever time during the timeframe you can make it. 2pm – 4.30pm

Out of Zone Enrolments

We are fully committed to keeping our Out of Zone enrolments to 20 students in any given year. At times we are caught out when siblings of out of zoners, are due to start school and we do not know they are coming. We are sending out an information survey to build up our PRE-SCHOOL REGISTER – and need you to please indicate any pre-schoolers who may be coming to our school over the next coming years. We are gathering this information for ALL Stanhope families but will make sure we allocate places in our Out of Zone roll book for the siblings of our Out of Zone children at the time they are due to enrol. Your support in helping us get this information would be most appreciated. Lucky us having people wanting to come and be good Friends, Learners, Guardians

Parent Support Group Meeting
Monday 27th Febuary
6pm
Library

If you'd like to come along and get involved in school events – please come to this meeting on Monday night. We have a wonderful parent/school partnership and this group of parents works absolutely tirelessly and positively on your children's behalf. Their work in the school is legendary – but....

We need your help!

Come along and join the Parent Support Group

Swimming Pool Keys
Hand in Date
Friday 31st March by 2pm

As the weather starts to turn colder, we are closing the pool for swimming for families from Friday 31st March. The pool will be closed from this point for weekend/holiday swimming so ALL pool keys need to be handed in by this date please. The class lessons will continue to the end of the term however. Please bring your Swimming Pool Key to Mrs Wase in the office and make sure your name is ticked off the list. Many thanks for looking after our pool during the holidays and having fun together as families. It is a wonderful resource we have to share together.
