

MANIOTOTO AREA SCHOOL

Kia Ora

We are delighted that our increased roll at the start of the year has enabled us to have a fifth junior classroom. We are changing rooms from the beginning of Week 3 this term – 16th May.

Mrs Celine Ferdinands, Mrs Trina Steele and Mrs Fiona Dowling will continue to teach Tawa which will have New Entrant and Year 1 children.

Mrs Ann Marie Paterson will teach in Kowhai with our older Year 1 and Year 2 students.

Mrs Lisa Bryant will teach in Whero with our Year 3 students

Miss Chelsea Edmonston will teach in Kahurangi with Year 4 students

Mrs Gemma Hore and Mrs Anna Jeffries will teach in Kakariki with Year 5 & 6 students. Mrs Hore, Mrs Jeffries and Miss Edmonston will regroup children across both classes for reading, writing and maths.

Mrs Susan Feron will work with specific students and use her IT skills to support extension and special programmes.

Later in the term Mr Stephen Bryant will also start working with us working predominantly at the Year 7 -13 level. Mr Bryant will pick up a number of rolls including Food Tech and support of literacy in Maths, Science and other key curriculum areas. We are delighted to have Mrs Paterson back at MAS and to welcome the Bryants to our school and the district.
