

Korero 10 Term 1 2017

With a recent increase surge in potential abductions around schools, it is timely to remind families on how to keep safe. The most important way parents can protect their children is to teach them to be wary of potentially dangerous situations – this will help them when dealing with strangers as well as with known adults who may not have good intentions. Help children recognise the warning signs of suspicious behaviour, such as when an adult asks them to disobey their parents or do something without permission, asks them to keep a secret, asks children for help, or makes them feel uncomfortable in any way. Also, talk to your children about how they should handle dangerous situations. One way is to teach them “No, Go, Yell, Tell.” If in dangerous situations, kids should say no, run away, yell as loud as they can, and tell a trusted adult what happened right away. Make sure that your children know that it is okay to say no to an adult in a dangerous situation and to yell to keep themselves safe, even if they are indoors. Having a password for other adults to use if they are picking your child up unexpectedly from school, is also excellent advice and prevented a potential abduction this week.

It is hard to believe that we are already a quarter of the way through the school year. How the school year is flying by and students should now be fully immersed in their learning. I know many of our Year 11-13 students will be feeling the pressures as assessments culminate at the end of the term and it will be essential that they are using their time effectively to ensure they achieve to their potential. Also, our primary classes begin their goal setting meetings this week. These are a very valuable opportunity for parents to come into the classroom and connect with their children's learning and see the progress they are making. Also, parents and caregivers of Year 9-13 should now be regularly engaging with their children's fortnightly progress reports. It is an important tool to provide on-going regular feedback to families.

With the end of term one, it is important to remember that term two signifies the transition to the winter uniform. It is the expectation that all students begin term

two in the winter uniform. If there are any questions about this please contact the school office. It is critical that all students are in the correct uniform for school photos which are at the beginning of week four-term two, Monday 22 May.

Due to the beginning of teacher contract negotiations, all our teaching staff will be involved in a paid union meeting on the afternoon of Friday 5 May; the first Friday back in term 2. Due to this, school buses will be running early on this day, departing Hurunui College at 12.30pm. All students will be arriving home approximately two and a half hours earlier. For non-bus students and students living in the town, parents are asked to collect their children from school at this earlier time. If this is going to cause undue inconvenience for any families, supervision can be arranged for any students who are required to stay at the school through to 3pm, when the remaining students will need to be collected directly from school. Please contact the school office if supervision is needed.

Dental Care over the School Holidays

The Community Dental Service will operate an emergency service over the school holidays. This service is to provide relief of pain only and will not undertake 'routine' treatment. The service will be available each working day from 8:45am until 12:30pm from the Hillmorton Community Clinic, Sylvan Street, Christchurch for the following times:

Tuesday 18 April to 21 April 2017 (excluding weekends) and

Monday 24 April and

Wednesday 26th April to Friday 28 April 2017 (excluding weekends)

This service will operate by appointment only and if we are unable to see your child, alternative options will be given. If your child has dental pain as a result of an accident please contact your dentist in the first instance.

You can phone and make an appointment for the emergency clinic by ringing 0800 846-983.

A Community Connector for Hawarden-Waikari area

How might a Hawarden-Waikari Community Connector enhance our community? Connect Hurunui Inc. has funding available for this role and invite you to come along and share your ideas.

When? Thursday 6th April, 7.30 to 9pm

Where? Waikari Hall, Princes Street

As you may be aware, there are Community Connectors in Amuri, Cheviot and Amberley.

To get us started, you will hear about how these roles have enabled initiatives to get underway in a neighbouring community.

If you have any questions or you are keen to be involved but unable to attend on 6th April, please contact:

Karen Armstrong, 314-4042 or 0274 383-464 or

karenarmstrong@xtra.co.nz

Hurunui District Council Refuse and Recycling Arrangements

In Hawarden and Waikari, during weeks commencing the 17 and 24 April, there is no change to the collection arrangements for refuse and recycling due to the Easter and Anzac Day public holidays. Collections will be as normal on a Thursday.

To ensure collection, official Hurunui District Council refuse and recycling bags must be securely tied and placed at the kerbside by 8am on collection day.

Only official Hurunui Council refuse and recycling bags will be collected. These can be purchased from Hawarden Four Square, Waikari Auto Services and Amuri Service Centre.

Transfer Station Arrangements due to the Easter and Anzac Day Holidays

The Councils transfer stations will remain closed on Good Friday, Easter Sunday, Easter Monday and Anzac Day.

However, Amberley transfer station will open between 10am and 4pm on Tuesday 18 April.

For further information on waste and recycling in Hurunui, telephone 314-8816 or visit www.hurunui.govt.nz

Please look on www.waikarihealth.co.nz for the month's roster of who is on duty.

Generally Dr Sword is here every week day except Monday when Dr Racle is on duty.

After Hours There is always a doctor or rural nurse specialist on call - please phone the Health Centre on the number below during normal business hours and after hours and you will be directed to the appropriate assistance. The After Hours calls are managed by HML (Homecare Medical Ltd) who will assess your needs and advise your best course of action. The on call clinician is able to access patient records, if required, to improve patient safety.

Free for Under 13 years for ACC and medical visits for enrolled patients.

Tetanus Vaccine Post childhood is due at ages 45 & 65years.

Please call if you think you might be due for a booster.

Spots (Acne) is a highly treatable condition and does not need to be suffered - if you have spots that you would like to be rid of please make an appointment with the GP to discuss the treatment options

Preventative Screening We are required by Ministry of Health to screen patients and to offer support to improve health outcomes. From time to time you will be asked if you are a smoker and if you would like to quit, as smoking has been proven to have one of the greatest impacts on our health, especially our heart health. We hope to have the carbon monoxide meter (as seen at the Hawarden Show) at the Health Centre next month and encourage all smokers to come and have a reading done - keep an eye out in the newsletter for when we have it on site.

Repeat Prescriptions by phone please allow 48 hours for these to be processed, if the GP has indicated at a previous consultation that they have authorized for this to happen. REGULAR 3 MONTHLY checks with the Doctor are required for on-going prescriptions. Please ensure you have at least two weeks supply of medications on hand at any time.

Flu Vaccine This is now available and is free for; pregnant women, people with certain chronic conditions and for people 65 years and over. Please make an appointment with the nurse.

Shingles Vaccine (Zostavax) is available for people over the age of 50. It costs \$200 and can be ordered in on request, please phone the nurse if you are interested in more information about this.

Senior Chef we are aiming to start a Senior Chef course in May and June 2017 and would welcome expressions of interest from members of the community who are 65 years or older or over 55 with chronic health condition. THIS IS A FREE 8 WEEK course - held locally. We need a minimum of 12 people to go ahead with this, so grab a friend and give us a call!

Exercise Class for the over 65s we have been granted funding for this to continue (from Manchester Unity Welfare Trust) and invite anyone interested in attending this twice weekly class at Hawarden to phone the Health Centre for more information.

Cervical Smears a reminder that Sue, our Practice Nurse, is a qualified smear taker.

Green Prescription give us a call if you need some help with becoming more active - we have a local provider who can help you get started and support you in being active.

Have you moved or changed your phone number? We are updating our patient database and adding in email addresses. Please call us if you think we may not have your current contact details.

Physiotherapy Ben Cameron of Physio South is at the Health Centre on Tuesday and Friday mornings. A doctor's referral is not required. Ph (03) 337-4832 to make an appointment at Waikari.
