

Kia ora, and welcome back to Term Two. It has been lovely to see the area green up over the school break and with the recent southerly blast and subsequent frosts, it certainly feels like winter is not too far away. I hope the students took the opportunity over the holidays to rest up and are now ready to settle into another term of learning. It is wonderful to get some positive reports back about what our students got up to over the break. Most notably is Fletcher Earl who represented the New Zealand Mounted Rifles Charitable Trust at the ANZAC ceremony in Canberra. This is a continuation of the role Fletcher has performed since the 100-year commemorations in 2015. It is great to see our senior students playing such a crucial role in what continues to be a very significant occasion for both New Zealand and our close neighbours Australia.

As of the end of last term we farewelled Jill Oakly from the school. Jill has done a tremendous service for the school over the past 36 years starting at the school back in 1981. Many past students and staff will have been in the school alongside Jill and she has very much become part of the fabric that makes up Hurunui College. She will have seen many changes over the years and we wish her all the best in the future. She did not want any formal farewell, but be sure to thank her for her time in the school the next time you see her.

At the end of the last term, we also launched our updated website. We thank Phil Biddlecombe and Melissa Brown who did the majority of the background work to get the site up and running. This was also assisted by a number of others and in particular our Board of Trustees member, Jackie Carthy. We hope the new site becomes more interactive and a regular source of information for new and current parents and community members. We also extend a huge thank you to Paul Munnerley who has been the founding father of the school website and has single handily maintained our web presence for many years. His efforts over the years have very much been appreciated.

A final reminder to all parents and caregivers that due to the beginning of teacher contract negotiations, all our teaching staff will be involved in a Paid Union Meeting tomorrow, **Friday 5<sup>th</sup> May**. Due to this school buses will be running early tomorrow and will be departing Hurunui College at 12.30pm. All students will be arriving home approximately two and half hours earlier. For non-bus students and students living in the town, children will also be released at this earlier time.

Lastly, it looks to be a very busy term ahead with the Exploring Community heading off on their camps to Arthur's Pass and a major secondary focus around the school production, 'School of Rock'. We thank Sarah Cassidy for putting up her hand to produce this. In addition to this, we have full school cross country, Area School Sports Trials, debating, speech competitions, class photos and I'm sure a lot more on the calendar over the weeks ahead.
