

Newsletter - 5 May 2017

Kia Ora Whanau

It's great to see everyone back from their holiday and it has been awesome to catch up and hear of all the holiday fun. It's very pleasing to see everyone in full correct uniform and a big thank you for helping us with our healthy eating snack break by ensuring that your child/ren have at least a piece of fruit or vegetable. The classrooms have been enjoying their fitness break and it was awesome to see Super 7 (room 7), Terrific Two (room 2) and Team Tumeke (room 1) running around the streets of Rongotea. Our field is too wet and so we have decided to run around the block as we get ready for cross country on the 25th of May.

This week I made contact with the parents of students that we have tagged as needing a boost in their maths. These students are part of our ALim maths programme and are taught in separate groups during buddy reading time. It will be great to see those parents that I phoned come along on Monday night at 6pm, for no longer than 45 minutes.

As we are heading into the colder months, your child can wear trousers, as long as they are navy blue and any under garment needs to be navy blue also.

Can you please make sure if you have a question or concern that you make contact with the right person. This seems to happen in every school, but it still doesn't make it right. It's very annoying hearing things through other people !!! Please ring me and I will no doubt have the answer or I will direct you to the right person.

From now on newsletters will be every 2nd week. Assembly is next Friday and every fortnight after.

Have a great weekend and if you are out shooting ducks please make sure you stay safe.

Your Principal
Troy Anderson

Welcome to Room 6

ANZAC DAY

Our ANZAC DAY pictures help us to remember the people who died at war.

The brown newspaper = old

The white cross = died

The red poppies = so we remember

Notices

Reminders of school donations, technology fees and camp fees have been sent home today. Please note that these can be paid off over the year with your family name and which item payment refers to as the reference. Any concerns or queries please see the office.

Also with children practising for the up coming cross country can you please make sure they have correct footwear for running on the footpaths and also any inhalers they might need are bought to school and kept in their bags.
